PENINSULA UMPIRES ASSOCIATION

Policy Statement of the Association concerning Exclusive Association Membership

The Constitution and By-Laws of the Peninsula Umpires Association define the duties and responsibilities of its membership. The duties and responsibilities of the membership include "Exclusive registration with the Washington Officials Association (WOA) through the Peninsula Umpires Association for working of games sanctioned by the WOA." To further clarify the Association's expected performance level of the membership, the following will be understood to be inclusive with the exercise of those duties and responsibilities:

1. To work any game assigned by this Association, a member must have current registration through this Association, exclusively, in the sport that they wish to work (i.e, baseball, slow pitch softball or fast pitch softball).

2. This exclusive registration requirement is limited to all sanctioned events that occur within the geographical boundaries of the Association, as determined by the Executive Committee and concurred in by the Association's Board of Directors.

Adopted by the Executive Committee of the Peninsula Umpires' Association,

This 13th day of June, 2004.

President: /s/ C. Grosvenor

First Vice President: /s/ D. Thayer

Second Vice President: /s/ T. Masters
